Bill Spicer

Bill has been fishing for more than 35 years. He discovered fly-fishing 20 years ago and has never looked back. Bill is now an accomplished fly tier, author, guide, lecturer, and teacher and is an FFF Certified Master Fly Casting Instructor.

Bill is a regular writing contributor to The Canadian Fly Fisher Magazine with his casting articles.

Bill is co-host of The New Fly Fisher television show and owner of Ontario School of Fly Fishing and is known as the teacher's teacher. Bill is a passionate angler and a fixture on most area streams and symposiums, lecturing and at tying tables. Bill has a great love for casting and would sometimes rather teach than fish. His love is stalking trout in cold water streams of southern Ontario and eastern United States, but his specialty is migratory steelhead and salmon.
